(3598) **2.** What specific aspects of your TA's teaching were most useful for your learning?

The use of GoogleDrive so all the notes were in one place was very helpful.

She was there when I needed it, very quick when responding to emails, and very helpful.

She answered all my questions and her explanations and the way she taught was easy to understand. I liked how she used her own personal photos as examples.

Class instructed well with an organized structure

(3597) **3.** What specific suggestions would you like to offer the TA for improving their effectiveness, if any?

None, you were really helpful. Thank you:)
